

BULLET JOURNALING

What is your online learning goal? How will you know when you've reached it?

Bullet Journal Mini-Glossary

These are common symbols bullet journalers use—but use whatever symbols are easiest for you to draw and remember.

● = **TASKS**

- Watch 5-minute bullet journaling video.
- Buy journal.
- Look at #bulletjournal on Instagram.
- Complete this worksheet.
- Start making my logs in the journal.

○ = **EVENTS**

- First online lesson!
- Online discussion group.
- Lecture livestream.
- Study group power hour.
- Quiz!

— = **NOTES**

- The key elements of a bullet journal are the future log, the monthly log, the daily log and an index that tells you where all your information lives.
- Bullet journaling is meant to be flexible and easily personalized.
- "Collections" help you organize and track specific things, such as areas to research or books to read.

Grab your journal and get started!

👁 = To research

💡 = Idea

! = Inspiration

\$ = To purchase

* = Important (usually used next to another symbol)
